

## The End of Faith

Where, can I lay my faith down?  
How, can I turn this doubt round?  
When, will I find some safe ground?  
I lose Faith

Calamity turns my life round  
I'm suddenly losing my real ground  
With nothing of anything I've found  
I lose Faith

my lover is caught in a rebound  
going over and over the old ground  
Paradise ruined and re-found  
We lose Faith

This must be, the end of faith  
It looks to me, like the end of faith  
it's plain to see, it's the end of faith  
The end of faith ....

Who, can I lean my weight on?  
Who, can I pin my fate on?  
Who, can I hang my hat on?  
I lose Faith

The spirit is broken and unbound  
everything opened is closed down  
and all that is woven is unwound  
I lose Faith

The guru is naked and uncrowned  
The geshe is suddenly ungowned  
Lamas and sadhus are unsound  
I lose Faith

break

This must be, the end of faith  
It looks to me, like the end of faith  
it's plain to see, it's the end of faith  
The end of faith ....

This must be, the end of faith  
It looks to me, like the end of faith  
it's plain to see, it's the end of faith  
The end of faith ....
